The Dept. of Economics was started PG 20215-16 and as a research and training center starting 2025 .

ABOUT CONFERENCE:

INDIAN KNOWLEDGE SYSTEM: The Indian Knowledge System (IKS) embodies the systematic transmission of knowledge across generations. This structured framework facilitates knowledge transfer, distinguishing it from a mere tradition. Rooted in Vedic literature, the Upanishads, Vedas, and Upvedas, IKS encompasses Jnan, Vignan, and Jeevan Darshan- disciplines born from experience, observation, experimentation, and rigorous analysis. This tradition of validation and practical application has profoundly impacted arts, governance, law, justice, education, healthcare and commerce. IKS incorporates ancient Indian wisdom, acknowledging its successes and challenges, while aligning with India's future aspirations in all aspects of life. The IKS also aims to facilitate cutting-edge research addressing contemporary economic issues in the fields like education, agriculture, manufacturing, commerce, trade, health, environment and sustainable development. By integrating ancient wisdom with modern perspectives, IKS seeks to resolve pressing global problems through the unique lens of Bharatiya Drishti. To promote IKS, various mechanisms will be employed to disseminate authentic knowledge, fostering informed and confident citizens. Public engagement will be encouraged through Jan Bhagidari programs akin to citizen science initiatives. Skill-based programs will create employment opportunities for youth, while IKS will showcase Indian heritage through innovative Indian Knowledge System offer a unique prospective on economics focusing of the holistic approach that integrate ethical social and environmental consecrations here are some key aspect core principal.
